To

Simla, the 9 November 1903.

SIR,

I AM directed to refer to the letter from this Department, No. [illegible] dated the 29th March 1901, on the subject of the preparation of "short descriptions" of cases relating to counterfeit coins received by courts in the course of criminal trials.

2. It has been brought to the notice of the Government of India that these "short descriptions" do not in every instance accompany the coins sent to the treasuries. In some cases, copies of the judgments passed by the courts are unnecessarily sent, and in others the "descriptions" in question are incomplete, as the sentences passed on the accused are not stated.

3. This information is necessary for embodiment in certain returns submitted by the Mint Masters to the Government of India, and I am to request that

may be moved to invite the attention of subordinate criminal courts to the necessity for forwarding more accurate reports in future, as required by the Government of India in the Finance and Commerce Department in their Resolution of the 21st February 1901.

3. I am accordingly to request that the attention of the subordinate criminal courts may be invited to the necessity for forwarding more accurate reports

in future, as required by the Government of India in the Finance and Commerce Department in their Resolution of the 21st February 1901.

I have the honour to be,

SIR,
